OKINAWA'S NEW CHALLENGES

New MRO Company

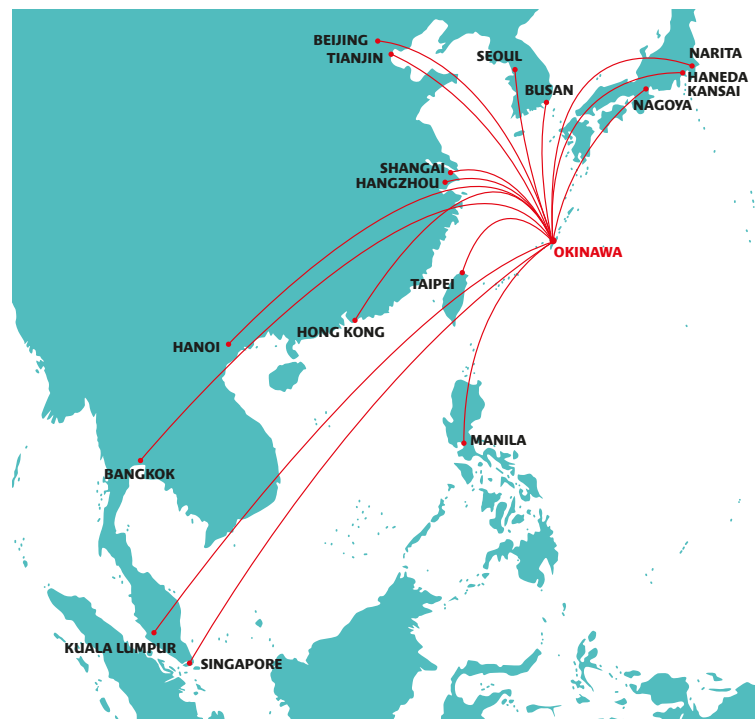

MRO Japan was founded as a new MRO service provider in Japan in 2015. The company has been selected as the preferred MRO provider in Asia for MRJ regional jets of Mitsubishi Aircraft.

New MRO Cluster

Okinawa is becoming the new MRO hub in Japan. The development of an aviation business cluster is underway in the Okinawa prefecture at the initiative of the Okinawa Prefecture. A new aircraft maintenance facility is scheduled to open in Okinawa's Naha Airport in October 2018.

Strategic location

Okinawa is ideally located in the center of East Asia. The city is within a 5-hour range of major cities in the region.

WHAT IS MRO AVIATION MEETINGS OKINAWA?

MRO Aviation Meetings Okinawa is a unique matchmaking program focused on MRO Supply Chain. It will gather MRO suppliers, airlines, MROs, OEMs, and government officials to interact and develop business.

You can take advantage of 4 opportunities to network and enhance your aviation business:
